

UPDATED: 16sqm office in Østerbro (right in front of Rigshospitalet)

Newly furnished, bright and centrally-located office measuring 16 sqm in Østerbro, 1-minute walk from the lake. The address is Trepkaskgade 17, kld. At the moment there are 2 armchairs and a desk with a chair, but in January there will also be a 2-person sofa. There is a toilet and kitchen/waiting area that is shared with another office also used by a therapist, so it's a very private space. Electricity, water, heating, cleaning and tea are included in the price. There is, however, no internet installed in the office.
